A settlement has been reached in a class action lawsuit against National Math and Science Initiative (“NMSI” or “Defendant”) relating to a data security incident against NMSI’s computer systems that occurred in or around September 2021 through October 2021 (the “Data Incident”). The case is *Tracey Oche, et al. v. National Math and Science Initiative*, Index No. 510959/2023, pending in the Supreme Court of the State of New York, County of Kings (the “Action”). The computer systems possibly affected by the Data Incident potentially contained personal information of certain individuals. The Plaintiffs claim that NMSI was responsible for the Data Incident. NMSI denies all of the claims.

WHO IS INCLUDED? NMSI’s records show you received a notification from NMSI regarding the Data Incident, and, therefore, you are included in this Settlement as a “Settlement Class Member” unless you opt out of the Settlement.

SETTLEMENT BENEFITS. The Settlement establishes a \$350,000.00 fund to pay for the costs of notice and administration, certain taxes, service award payments, attorney fee awards and costs as awarded by the Court, and Credit Monitoring Services to all Settlement Class Members. All Settlement Class Members may enroll, at no cost, in one year of *Financial Shield*. *Financial Shield* is a powerful monitoring service that focuses on protecting individuals’ assets, including financial accounts, home, properties and more.

HOW DO I OBTAIN THESE BENEFITS? The *Financial Shield* enrollment website will not be active until after the Settlement is approved by the Court and becomes effective, and you will need the 16-digit activation code printed on this Notice to enroll. To receive an email alert and additional instructions when the *Financial Shield* enrollment period begins, please visit the following website and enter your Claim ID Number printed on this Notice: www.NMSIsettlement.com. We anticipate that the *Financial Shield* enrollment website will be activated on or around **July 20, 2024**.

OTHER OPTIONS. If you do nothing, you will remain in the Class, and you will be bound by the decisions of the Court and give up your rights to sue NMSI for the claims resolved by this Settlement. If you would like to opt out/exclude yourself from the Settlement Class, you must mail your exclusion request, postmarked no later than May 6, 2024 to the Settlement Administrator. If you do not agree with any part of the Settlement, you must mail your objection, postmarked no later than May 6, 2024, to the Settlement Administrator.

FOR MORE INFORMATION. Please visit the website or call 1-877-525-1334 for a copy of the more detailed Notice. On **June 12, 2024**, the Court will hold a Final Approval Hearing to determine whether to approve the Settlement, Class Counsel’s request for attorneys’ fees and litigation expenses of up to 30% of the total value of the Settlement, or \$166,666.67, and service awards of \$2,500.00 for the Representative Plaintiffs. The Motion for attorneys’ fees and expenses and service awards will be posted on the website after it is filed. You or your own lawyer, if you have one, may ask to appear and speak at the hearing at your own cost, but you do not have to.
